Dear Mr. Acree:

I am completely sympathetic to your information needs for the critical year 1976 as stated in your letter of August 5, 1975. In order to have a clear understanding between our agencies about the specific types of reports you desire to acquire from CIA, I have asked [ ] who, as you know, is responsible for international terrorist activities in our Directorate of Operations to contact Mr. De Angelus. Consultation between them will ensure that we have a thorough understanding of your requirements and establish the degree to which we can meet them.

Sincerely,
